THE MARYLAND

Chancery Sales Fertilizing and Manufacturing Co. Are prepared to furnish the following well known brand of Fertilizers:

Ammoniated Super Phosphate!

A complete manure for all crops, adapted to lands that require a full development of the crop, both straw and grain.

Alkaline Super Phosphate An article very rich in Soluble Phosphate of Lime and the Alkalies,

DISSOLVED PHOSPHATE! A high grade Super Phosphate of Lime.

The Alkaline and Dissolved Phosphate have special reference to the growth and development of the grain, and are intended for lande that produce a sufficient growth of straw but small er ups of grain. They have seen used successfully for a number of years by the best farmers of Maryland and Virginia, alongside of the highest grades of Ammoniated Phos phates, and in some sections have entirely superceded them. The fine mechanical condition of our Fertilizers are such that they Acquilla Grant, Adm'r., vs. Charles drill readily, and we recommend the use of the drill as being most profitable for the application of Fertilizers. Sowing broadcast 200 pounds to the acre does well. Price \$45.00 per ton, \$2.25 per hundred pounds. Any further informa-
